

A FREE COLOR LASER PRINTER!

Simply visit us at **Brother's** booth and drop off a business card to enter to win our drawing for a **HL4040cdn Color Laser Printer**

IS.Group SHOW SPECIAL COLOR GET IT !

In appreciation of your support and in celebration of the 2009 IS.Group Annual show

Brother International Corporation will be holding a drawing for a HL4040cdn Color Laser Printer during the Vendor Exhibit Show on Wed, May 27th, 2009. **To qualify** members must stop by the **Brother International Corporation** booth and drop off a business card for the drawing.

The HL4040CDN is a Network-ready, Duplex Color Laser Printer that produces brilliant business color documents at up to 21ppm in either color or monochrome.

With up to 2400x600dpi print quality, you can produce reports, brochures, and presentations right from your desktop. It also features high capacity in-box and replacement toner cartridges.

With its fast print speeds, outstanding print quality, and full complement of features, the HL4040CDN will add impact to all your office documents. Suggested Retail on the HL4040cdn is \$649.99.

For additional information, please contact your **Brother** Representative.
