

Secure-View

Privacy Filters for Notebooks & LCD Monitors

- Helps ensure the privacy of on-screen data on your Notebook & LCD monitors.
- Micro-Louver technology creates a narrow viewing angle. Image is only visible to those directly in front of the screen. Side view is black.
- Reduces glare & increases contrast
- Protects delicate LCD surface from damage.

Attention is.group Members:

Kantek is offering a 10% discount off our current pricing on all of our SecureView® Blackout Privacy Filters for is.group members through June 15, 2009.

Please be sure to visit our booth at the is.group meeting.

Stop by and enter for our door prize, a complete set of our elegant Acrylic Desk Accessories.
