Mouse platform fits on both sides of the tray

Features:

Kelly Brand Leverless Lift N' Lock™ Keyboard Tray with Oval Mouse platform provides maximum comfort and flexibility while typing. The tray is made of sturdy Phenolic and does not bend or vibrate while in use. The tilt adjustment knob is easy to reach; located at the rear of the tray allowing for simple tilt adjustment of both negative and positive angles. Easy Leverless height adjustment, simply Lift N' Lock into desired position. Vertical height range of 6" The sturdy all steel 18" track includes friction gliders for smooth operation. Stores conveniently under the desk with plenty of leg room. Optically sensitive mouse platform can be used on either side of the keyboard tray, convenient for left or right handed mouse users. The rotating mouse rail keeps the mouse from falling off the rear of the platform. Keyboard tray includes full length memory foam, positive angled wrist support that is soft to the touch and comfortable to use. Covered with easy to clean black Lycra fabric. Meets BIFMA standards and includes five-year warranty. Some assembly required. Dimensions: Tray; 1" h x 19" w x 10" d. Mouse Platform Diameter: 9" x 9" Track: .75" h x 5" w x 18" d. Product weight: 14 lbs.
