

***Powering Our
Customers' Success!***

Systems Solutions Limited and *is.group*

A Perfect Partnership!

We're just like you! Independent, responsive, flexible! Customers are our focus. Providing Office Products Dealers a long term value advantage to help *Power Your Success* is what we do best!

There are choices available to the Independent Office Products Dealer who is searching for a new software solution. Perhaps your current provider is planning to increase support fees, or already has! Maybe they are discontinuing support for the platform you are on. Whatever the reason, we want you to know that at SSI, we have been *Powering Our Customers' Success* for over 20 years! We stand behind our product! From Implementation and Training to Support and Service, we are with you all the way!

Look at some of our value advantages!

- **Flexible, informative Management Information Screen (MIC). Gives you immediate access to open order information to track your business!**
- **Feature rich SSI Web incorporates the best of United's SmartSearch and SPR's Enhanced e-Content!**
- **No Hassle, no worry pricing updates! We do it for you! No more loading, downloading and time commitment- especially on weekends!**
- **Exceptional flexibility with our new Graphical Purchasing module! Buy better- make more informed buying decisions and increase your GP!**
- **Better financials- not only are we experienced OP Professionals, but we know that good accounting practices are the key to success! Our integrated financial modules have been designed to eliminate the need for 3rd party software!**
